

Dick Skare For 1st District Assembly

Saturday, October 31, 2009

With a pledge to campaign in every village and township in the First Assembly District, Dick Skare invites you to his campaign kick-off events in Door and Kewaunee Counties. Either event welcomes supporters from throughout the District including eastern Brown County where he announced his campaign last week.

“The First District needs and deserves more effective leadership” Skare said. “Legislation being debated in Madison affects every single resident of the First District and their children and their children’s children. We cannot afford more of the same-old politics-before-all-else, heels-dug-in excuses for doing nothing.” The Door County event will be Monday, November 9, 5:30- 7:00 at the historic Andre’s Supper Club and Opera House, 23 W. Oak Street (just off Madison St.) in Sturgeon Bay.

The Kewaunee County event will be Wednesday, November 11, 5:30- 7:00 at S and K Food and Spirits, 7551 County D (at Highway 54) 2.5 miles west of Algoma.

Both events will have food and cash bars. For more information call campaign manager Allin Walker at 920-493-2912.
